WEBSITE LAUNCH

TO ENHANCE THE CUSTOMER EXPERIENCE WE
INTRODUCED ANOTHER POINT OF CONTACT

With constant research and development, we are excited to announce our website launch which will provide more forms of customer inquiry fulfillment. Zoom has been a crucial part of 2020 carrying forward this newfound method of convenient interaction you can now book a zoom meeting with us through our website.

Our website will focus on displaying our products with the necessary information to ensure the end-user taps the utmost potential of our products. With the introduction of our chat service, we ensure no question goes unanswered. Further new product launches would be announced under this quarterly newsletter.
